Memorial Day, Missing Man Table

Master Sergeant John Boyer provided us with a heartfelt presentation to the brave men & women who answered our nation's call and served the Cause of Freedom. This table is a very special way of symbolizing the fact that members of our Armed Forces are missing from our ranks.

We are compelled to "Never Forget", that while we enjoy our daily pleasures, there are others who have endured and may still be enduring the agonies of pain, of deprivation, or internment.

Our community paused to recognize all who gave to our great country, The United States of America. Thank you John for all you do!

During our Luau celebration Hugh Warren performed beautiful island music for everyone to enjoy. Then we were blessed by his son, Jace, as he sang a duet with his dad.

Jace certainly stole the show from his dad as the residents gave him a standing ovation. In appreciation, Gail & AW presented him with a Ukulele from Hawaii. Gail told him that he simply "stole her heart" and she wanted to share this special instrument with him.

2nd Annual Villages Golf Championship Classic, The Winner Is... Earl Virts

Last week The Villages of Farragut golf team played our second annual Villages Masters golf tournament. This tournament is a replica of the PGA Masters. There were 15 players who played their hearts out to win the ultimate prize of the "Green Hat".

During the final rounds, it came down to a very close match between Earl Virts & Anne Marie Harwell. Both played an amazing game, but Earl eased out Anne Marie for the final win! Frank Bucca, our former golf champion, crowned Earl with his winning "Green Hat".

Congratulations to everyone who participated. We are looking forward to our third championship and new winner.

New Book Club

As I write this, I am remembering June 14, 2021, Flag Day for the USA. I am also reminded, very gratefully, that we honor and respect every holiday that celebrates America at our home, The Villages.

So, to keep our spirits "American - High" let's begin our new book club by reading "Untold Tales of the First Pilgrims" Fighting Women & the Forgotten Founders who shaped a Nation by Kenneth C. Davis.

Everyone is invited to participate in our book club. Our first meeting will be Wednesday, July 28th at 2:00pm in the Club room Please check your calendar and postings for any updates.

Happy Fourth of July!
