Dog Days of Summer

This past month our community celebrated Dog Days of Summer. Our residents escorted their beautiful pups through the community room where excited friends awaited each participant to showcase their beauty, talents and tricks. We had several participants who strutted their stuff, offered treats & stopped to get some extra attention and love.

Christmas in July Party

Our Christmas in July party was a hit! Even Santa showed up!

Commemorating 9/11

2021 marks the 20th anniversary of 9/11. Dedicated to honoring those who died on that tragic day, each Sept. 11 is observed as Patriot Day and a National Day of Service and Remembrance.

In an effort to honor those who gave their all, please join Deb in the community room on September 11th for an inspiring presentation that will make you proud to be an American despite our tragedy.

How Does Your Garden Grow?

Our garden club has been cultivating, pampering, and watering our raised garden beds for almost six weeks. One can take a look around our community to see how beautiful the flowers, herbs and other vegetation has blossomed.

PJ Snodgrass with UT Horticulture visited our garden to confirm we were on the right track with the care of the beds. She was very delighted in our progress & growth of the herbs, flowers and perennials.

From garden fresh to table, our dietary team now has access to fresh basil, parsley, lemon thyme, Italian oregano as well as pesto.

Our garden club is also in charge of all the beautiful flowers at various locations around the community. We are so thankful for the team for being so devoted to keeping our community beautiful.
