## Children's Hospital Easter Egg Hunt Donations

In usual Village fashion, our residents came together to collect plastic Easter eggs, candy and small toys for the sick children in the hospital for their annual egg hunt. In addition to the collection, several of our residents joined Jean Porter to assemble the treats into the eggs. Then Jean dropped them off for the kids' enjoyment. Thank you, Village ladies, for all you do.

## Breakfast With the Bunny

## Karns High School Choral Department

Several of our residents attended a wonderful musical starring one of our own staff members, Evelyn McNeely, along with her fellow high school students of Karns choral department. We enjoyed the production Rodgers & Hart's Babes in Arms.

## Toy Story, Daisy & Donald Duck

Our veterans gathered together to enjoy a special treat from Fanatic Brewing Company along with the combined efforts of Buzz Buzzwell, Director of Veterans & Senior Services. In celebration of Honor Air Knoxville having served over 3700 Veterans on 29 flights, Fanatic Brewing Company created a limited edition special beer they proudly call the Welcome Home Beer.

The special beer honors the sacrifices made by each and every East Tennessee veteran. We are so honored to have received one of the first kegs of beer to celebrate our community and the 40+ veterans who call The Villages of Farragut their home. In a combined effort to "tap" our keg, our local business, Dixie Wine & Liquors provided a new tap for our community. We are so blessed to have our community recognized by our local businesses.
