Mother's Day Tea

Our Mother's Day Tea was such a beautiful gathering of friends and family. Ms. Elsie Mayfield was recognized as the "oldest" Mom and proud of her age 97! Jo Bartkoski & Sylvia Roy both had the most grand & great-grandchildren.

EmpowerMe Wellness

We are excited to announce our partnership with EmpowerMe Wellness, a rehabilitation service provider that specializes in on-site Physical, Occupational, & Speech therapy, as well as focused Wellness services. We understand the importance of maintaining independence, having control over your life, and achieving your mental and physical health goals.

EmpowerMe focuses on making treatment sessions effective and fun! Together, the resident and their therapist will discuss a customized plan designed to help reach their personal goals. These personalized therapies will help our residents remain functionally independent in our community.

We hope you find these new services as exciting and beneficial as

we do, and we look forward to welcoming the EmpowerMe team to the community.

Alzheimer's Association's Walk to Remember

A special thank you goes to Shirley Mitchell for organizing this fundraising event to help find a cure for Alzheimer's. Also, a big thank you goes out to all of our caring residents who participated in the UT Gardens walk a few weeks ago. Our group raised \$2,020.00, and along with our matching funds from our Admirals Club, our total donations equaled \$4,040.00. Way to go!
