August 2022

History of the Bagpipes

Our community was honored to have Katie Helms visit and explain the history behind the bagpipes, as well as her love of playing for the senior communities around the Knoxville area. In honor of the turmoil in Ukraine, she learned the Ukrainian national anthem and shared her many talents with our residents. What a great presentation and learning experience.

Matt Fuqua - C.E.O. - The Villages of Farragut

Matt Fuqua, CEO for Goodworks Unlimited, joined us for our Resident Council meeting and shared some exciting changes coming our way! We appreciate his attendance and support, and we look forward to updates in August.

Hank Miller & John Becker

Hank Miller, WWII Veteran (left), was interviewed by Mr. John Becker, news anchor for WBIR Knoxville. Hank shared his love of his beloved wife, Judy, and the family they built together during his military career. Hank told tales of his first-hand experience during these war times, his many missions and memories. This interview will be aired during a Veterans Day special in November, so please mark your calendars.
