## Armchair Travel

Hola! We had a great time at our Armchair Travel to Mexico in May.

## Brushy Mountain Trip on June 19

Self-guided Tour and BBQ Lunch

Join us on June 19th for our trip to tour Brushy Mountain Penitentiary! We'll leave at 10:00 am to head out, and upon arriving, we'll have lunch at their BBQ Restaurant and then go on a self-guided tour of the prison. After lunch, there is also an option for a moonshine tasting.

Tours are self-guided and former prison guards and former non-violent inmates will be nearby to answer any questions or share a brief story. You'll be provided with a map of the prison grounds as well. There are more than 30 stations, each containing the story of what happened in that particular spot. Some will talk of violent acts or killings. Others will share about the moments family members came to visit. And still others will give you a glimpse inside the troubled minds of the hardened criminals that served time at Brushy.
