Celebrating Labor Day!

Our Villages' Labor Day Celebration features a Picnic Style Buffet for residents and guests!

For a brief history, at the height of the Industrial Revolution in the late 1800s, the average American worked 12-hour days and 7 days a week. Children as young as 5 toiled in mills, factories and mines.

Labor unions organized and protested poor conditions to compel employers to renegotiate hours and pay. The first Labor Day parade was held in New York City in 1884 with 10,000 workers present. Labor Day became a federal holiday on June 28, 1894, as a day to celebrate the American worker and their contributions to society.

Labor Day, and every day, we greatly appreciate our dedicated Villages employees!
